Sue Harrison, Co-ordinator of the group, (Chair for the purposes of Nat West) opened the meeting by explaining that she had a formal resignation as treasurer by email from Ruth Taylor-Jones. She explained that Nat West required signed minutes agreeing the removal of Ruth as treasurer and the appointment of a new treasurer.

Mary McMonnies, present at the meeting, had offered her services to be treasurer and do the banking, working with Sue Harrison. Mary and Sue had done the paperwork and now we need the group to agree the appointment of a new treasurer and to vote as to whether they agreed with the appointment of Mary as treasurer and thereby an authorised signatory along with Sue Harrison.

A vote was taken by those present and it was unanimous for Mary McMonnies to be treasurer. Ruth could not make the meeting but has emailed to say she would like added to the minutes that she is happy with Mary McMonnies taking over her role.
