Margaret Chester  
Elaine Symons  
Christine Goddard  
Deb Woolley  
Verity Hanson  
Will Locke  
Glenys Laws  
Anne Beagley  
Julie Vaughan  
Dawn Wellstood

The meeting was held to decide on the third signatory. Christine Goddard was muted at the first meeting we held and was still willing to do it. So it was suggested that she acted as a third signatory and Sue would do the forms with her and get them signed by the treasurers. A vote was taken and it was unanimous for Christine to act as the third signatory.

The group was informed that the pressure washing of the Skate Park was now to take place next Wednesday at 10.30am

A round of applause was given to Elaine and her friend Bridget for their incredible work in Chanters Bakery window.

The group were informed that we had bought a cherry tree to plant in the new garden of rest by the cemetery, next to Sheep Fair Field in memory of The Duke of Edinburgh. It will be planted by the new incoming Mayor, now Deputy, Mervyn Way and David Squires who is in charge of the Army Brigade and also has a gold D of E award. It will happen at 1.30pm on Saturday should any of the group wish to attend.

Sue said she had seen the Mens Shed sponsorship signs and they look fabulous... picture enclosed. More yet to be done.

Sue thanked Mary for her weeding work on bank opposite Squires today. Christine reported that Morrisons is bringing the residents at squires plants and she is hoping the residents may buy some more for the bank. Also Sue reported on the generosity of Home Instead and Wiltshire Farm Foods and how that money was going towards plants for the bank.

Will Locke reported on the staggeringly quick and positive response to his FB request for litter pickers ..over 20 so far. Due to long shifts he has yet to meet with Andrew and discuss

insurance but has been promised equipment. He has called the group the South Molton Wombles. Sue said what a great addition to the group Will has been!

Finally we need as many people as possible to help Friday morning in the Recreation Centre at the back of the Pannier Market at 1030 am.

Next meeting as planned on May 17th Monday 7pm venue to be confirmed.
